Tools & Workflow
Git, SAP, Performance Optimization, Agile

AI Tools
Claude (Anthropic), Cursor, Windsurf, ChatGPT, OpenAI API, Perplexity

PROFESSIONAL EXPERIENCE

Full-Stack Developer | Freelance *2024 – Present*

- Built and deployed responsive web applications for multiple clients using React, Next.js, and PHP.
- Delivered custom UI/UX designs aligned with client brand requirements and business goals.
- Managed full project lifecycle independently — from requirements gathering to production deployment.

Full-Stack Developer | Blocksize d.o.o. *2021 – 2024*

- Developed responsive UIs and modern web apps using HTML, CSS, JavaScript, PHP, React, Next.js, and Python.
- Optimized website performance and implemented SEO best practices, improving load times and search rankings.
- Integrated third-party APIs and external services to extend platform functionality.
- Collaborated in team environments using modern development tools and version control workflows.

Fraud & Risk Specialist | SuperSport d.o.o. *2016 – 2021*

- Monitored and analyzed risk control alerts; reviewed and approved customer withdrawal requests under compliance protocols.
- Conducted proactive investigations to identify new and emerging fraud threats, reducing exposure risk.
- Provided rapid first-resolution technical support via tickets and live chat, maintaining high customer satisfaction.

Back Office Specialist | T-Mobile *2012 – 2016*

- Managed business customer accounts in SAP, handling administration, service activation, and budget tracking.
- Coordinated between sales and technical teams to ensure seamless account management.

Customer Support Team Lead | T-Mobile *2008 – 2012*

- Led a team of support agents — supervised daily operations and ensured consistent, high-quality service delivery.
- Handled escalated customer complaints and complex technical issues, resolving them efficiently.
- Coached and developed team members through regular performance reviews and training sessions.
- Managed shift scheduling and ensured adequate coverage across all support channels.

Customer Service Specialist | T-Mobile *2005 – 2007*

- Received, processed, and resolved customer inquiries via phone, email, and chat.
- Delivered consistent support in line with internal guidelines and service quality standards.
